Witches Hat for Hugglings

This hat will fit a head circumference of 17cm or 7 inches, so it may fit other small cuddly toys too. I do hope you enjoy this quick and easy free pattern.

Pattern Information

To make each hat you will need: -

10g of DK/Light worsted yarn

Needle size 3.5mm (UK 10 /US 4)

To make a larger hat try Aran or Chunky yarn and use the recommended size of needle for your chosen yarn.

Making up the Witch's Hat

Sew the seam of the hat from tip to base. Ease out the brim to flatten it. Make a small bend near the tip of the hat and catch it into place with 2 or 3 small stitches.

Very lightly stuff the lower section of the hat and sew it into place on the Huggly's head. You can use spray laundry starch or hairspray to further shape the hat brim.

Next sew the hat on to your Huggly head and give him or her to someone who needs a hug!
